New Glorietta Classrooms Now Ready for Use

Ready for use are the six new classrooms which have been built at Glorietta Grammar School and classes in them are expected to start today, according to Orinda Schools Superintendent Joseph L. Sheaff.

School supplies have been moved into the rooms the past two days. Sheaff estimated that it would take another couple of weeks for completion of the three new rooms at Orinda Grammar School.

USE BY GIRL SCOUTS
Use of one of the new Glorietta rooms was granted last week to the Girl Scouts and Brownies by the school board. At last week's board meeting at the Orinda School this permission was given to Girl Scout Troop 47 and Brownie Troops 28, 31, 74 and 106.

At the same meeting, decision was made to have a sewer line laid from Glorietta School through the playground, to connect with the sewer being laid on Glorietta Boulevard. Reason for taking this step now was that the playground is being paved, and laying of the sewer line now will eliminate necessity of tearing the ground up later.

SLEEPY HOLLOW BUS
At request of residents of the area, school bus service was extended to Sleepy Hollow. The extended route goes along the Van Riper "loop."

Discussion was held on efforts to purchase land for new schools on both the Orinda and Glorietta sides of the community.

The East Bay Municipal Utility District, it was revealed, has submitted an offer of land about a quarter of a mile north of Manzanita Drive, near the Orinda Filter Plant. Next step, according to Sheaff, will be discussion of price.

Property in the Moraga Del Rey area is also being sought by the board for a school site.

While these developments were mentioned at last week's board meeting, they were in the "talk" stage, according to Sheaff, and no action was taken.

Enrollment as of October 2 was reported as: Glorietta, 389; Orinda, 517; total, 906.

Macomber Heads Commuters; Bus Fight Pressed

Aubrey Macomber of Concord was named president of the Contra Costa County Commuters Association at the board of directors meeting at Acalanes High School Tuesday evening. He succeeds President Edward F. Klick, Concord, who has served for the past year.

Other officers elected by the 15-man directing body were Bob Pulford, Lafayette, vice president; John McKirahan, Lafayette, re-elected secretary, and E. C. Nevins, Pleasant Hill, renamed treasurer.

TO CONSULT

A committee was appointed to consult with Marin County commuters for information, as well as with the association's attorney, Spurgeon Avakian, to find out exactly how best to handle their protest against the application of all major bus lines for statewide increases in all passenger fares, scheduled for hearing before the Public Utilities Commission October 23.

Rehearing on the Greyhound Lines' request for increased local commute fares will be held the same date.

Committee members will report back to President Macomber, who will call another meeting to consider the findings and make recommendations, according to McKirahan.

MEMBERSHIP HEAD

Miss Norma Warner, Walnut Creek, new board member, named with six others at the annual membership meeting election October 3 to serve for a two-year term, was appointed chairman of the membership committee. Her plans include putting out a news letter explaining the situation, prior to the time renewal and new memberships are solicited.

Balance of the session was devoted to working out plans for obtaining better local transportation, with definite action promised shortly.

Setting of a date for the next board session will await committee reports, McKirahan said.

Hats Off to Our Lions, Rotarians

The SUN this week doffs its hat to the Orinda Rotary Club and Lions Club.

Members of the two organizations gathered together Wednesday night for a joint meeting — the first of its kind and probably the start of an annual affair.

Both Rotary and Lions live up to their names as service clubs by performing many worthwhile tasks to make Orinda a better place to live. By meeting at the same time and becoming better acquainted they performed another service to the community which will be reflected in future activities.

So hats off to these service clubs.

Orinda Church's All-Out Finance Drive Underway

Under way this week is the Community Church's "all-out" campaign to underwrite immediate construction of its third building unit and remodeling of the present church hall for activities of children, youth and adults.

Begun last Sunday in a service addressed by the minister and laymen, the financing effort is to be continued till successful, according to stewardship chairman Joseph R. Creighton.

The essential place held in Orinda by a community-centered church, open to all public welfare uses and dedicated to a non-sectarian Christianity was stressed by Sunday's speakers in an appeal to the entire community to back up the needed expansion plans.

One-twentieth of the required \$25,000 was handed to Creighton by the Rev. Morrow in the form of the Guild 1950 contribution check and cash gifts from the first contributors. Progress of the campaign will be indicated in a chart to be posted in a prominent public place. Treasurer of the building fund is C. B. Chantler, 64 Davis Road.

Lions, Rotary Have Fun at 1st Joint Gathering

Nearly 100 members of both the Orinda Lions Club and Orinda Rotary Club held a joint session at the Willows Wednesday night, the first time the two local service clubs have had such a program.

Guest speaker at the dinner meeting was Bill Moran, member of the California Athletic Commission, who described the responsibilities of this body in connection with the sports of wrestling and boxing.

Musical features were provided in an entertainment program by Danny Van Allen, and the guests joined in community singing.

During the session, guests were fined if they sat next to one of their own service club brothers. Proceeds from this penalty were divided equally, to be presented to the two scout troops of Orinda.

Jerry McKinley of the Lions and Frank Shirey of Rotary were co-chairmen of the evening.

Summer Turns Out To Be a Die-Hard

Summer doesn't know when to give up, in Orinda. When we try to resign ourselves to the beginning of cooler weather, up pops the weather department with a reading like that of October 10, 91 degrees.

This was the high spot of the weather week from October 4 through 10. Low spots for the same period were recorded on October 7 and 10, when the mercury dropped to a mean 40 degrees. And we say "mean" with malice aforethought.

Rainfall? Just a drizzle that registered .07 inch on the weather department gauge.

We'll be having weather next week, it's a promise, although we refuse to say whether it will be good or bad.

Virginia Grace Jones Baptized Last Sunday

Mr. and Mrs. Harold B. Jones of 21 Don Gabriel Way proudly announce the baptism of their five-week-old daughter Virginia Grace at Santa Maria Church by Father Duffy last Sunday. A dinner party for the godparents, grandparents and family and friends was held that evening.

Visited by Aunt

On Monday and Tuesday of this week Mrs. A. C. Flenner entertained her aunt from Joliet, Ill., Mrs. George Zatteau.

Committee Drafts Master Plan for Membership Drive

Promising a whirlwind campaign to sign every Orindan as a member of the Orinda Association, the membership drive committee is meeting each week to draft plans.

A complete master plan for the drive was set up October 6 at the home of the general chairman, Mrs. George Vurek. The committee met again Monday night at the same place to round out the program, assign further committee duties and draft a review of the Orinda Association's accomplishments.

The planning committee, under the jurisdiction of the Association's Civic Affairs Committee, includes Mrs. Vurek, Mrs. C. B. Chantler, Harold Rote, Herman Silverman and Ernest Spiegel.

CAMPAIGN GOAL

Goal of the campaign, to be held November 9 to 19, is to sign every family in Orinda as members of the Orinda Association for 1951 at \$2 per family.

Purpose of the drive is twofold, according to Mrs. Vurek.

"If the association is to continue to operate as Orinda's city council and spokesman, funds must be raised. Taxes and sewer assessments on the Community Center must be paid," Mrs. Vurek pointed out.

"Then, too, every family in Orinda has a stake in the association. Every person should be eager to be a member. The association is accomplishing many things to make Orinda an even better place to live."

COMMITTEE CHAIRMEN

This week, Mrs. Vurek announced the following committee appointments:

Harold Rote, chairman, house to house canvass; Mrs. F. R. Devin, booths and other solicitation; Ernest Spiegel, chairman of special promotions, assisted by Mike Murphy and C. O. Davey; Herman Silverman, publicity chairman, and Mrs. Carol Harrison, chairman of speakers bureau.

The planning committee will report progress of the drive to the Civic Affairs Committee Monday night at the Orinda School.

First Session of Pack 32 Tonight

Orinda Cub Pack 32 will hold its first pack meeting of the year tonight at the Orinda Grammar School at 8. Awards will be made for achievements the boys have completed this summer.

A new system of awards will be introduced. Ribbons will be given to the den that has the best behavior, attendance, or inspection. These ribbons will be put on each den's Pack flag. The den having the most ribbons at the end of the year will receive a special gift.

There will also be a new seating arrangement. The cubs will sit in a semi-circle, with their parents in back of each den and the activities taking place within the semi-circle.

Gordon Hawkins, scout executive of the Diablo District, will discuss the scouting program.

Plans have been completed for all Cubs from Pack 32 to attend the Cal vs. Oregon State football game October 21. All cubs must be at the Orinda School in their uniforms by noon. They will be taken to the game by bus and returned to the school.

Kids!—Laurel, Hardy Oct. 21!

Teatro Para Ninos, the series of youngsters' movie shows sponsored by the Orinda Mothers Club, will launch its new season Saturday, October 21, 1 p.m., with a showing of the Laurel and Hardy film, "The Big Noise," at the Orinda Grammar School auditorium.

The show will last for two hours. And every Saturday after this, from 1 to 3 p.m., there will be a Teatro Para Ninos picture at the Orinda School auditorium to delight the children. Suitable films are selected by the Mothers Club.

Guild Section 2 Meets Wednesday

Guild Section 2 will meet next Wednesday noon at the home of Mrs. Jim Hupp, 15 Vallecito Lane. Co-hostesses will be Mrs. William Penn Mott, Mrs. Fred Elkinton will lead the devotions.

The group will hear from Mrs. Buchter of the needs of Weimar Sanitarium, for which it is planning aid. Mrs. Clifford Marker of Berkeley, a friend of Mrs. George Bennett, section chairman, will entertain with motion pictures of many of the national parks.

THOSE DOLLARS to be raised in the Diablo Valley Girl Scout-Boy Scout annual combined finance drive, which gets under way Monday, will help maintain and improve healthful recreation such as pictured here. The scenes are at the Diablo Valley Girl Scouts' new camp, Sierra Woodlands, which was opened this past summer. Above, from left to right, are Girl Scouts Anne Howard, Suzanne Butterfield and Joanne Horns. Below, a group of the girls plays an apparently fascinating game called "Steal the Bacon." The camp is at Packer Creek, about six miles above Sierra City.

Scout Fund Drive Rolls This Sunday

Scout Fund drive in Orinda this year, starting Sunday, will be an all-out community effort.

Members of the Lions and Rotary clubs together with the Orinda Chamber of Commerce will aid other residents who are getting behind the drive to assure Orinda's 493 Boy and Girl Scouts that funds will be available this year for their program.

Bill Worden and Frank Olsen have volunteered to cover the Crossroads while the Village will be Walter Friberg's territory. John Stoffel, executive committee chairman, will handle special donations as in the past.

Workers' instruction meetings were held this week at the homes of Mesdames Wellington Ray, Bruce Howard, P. F. Kops, Norman Coates, John Gompertz, William Thurlow, Nathan Gray, Rees D. Paine, Frank Silva, F. E. Ready, Abe R. Doty and George W. Fink.

Mrs. F. R. Devin is in charge of the drive, aided by Mesdames F. E. Ready, Ritchie Smith, William Thurlow and John Gompertz. Total goal for the drive is \$35,000 for the Diablo area.

Gala Program Planned for Big C. of C. Dance

Additional entertainment, besides the four-piece orchestra which will supply music for dancing, has been planned for the Orinda Chamber of Commerce community benefit dance to be given October 27 in the quarters to be occupied by Orinda's new postoffice.

Proceeds from the affair will provide a bus shelter for those who wait for transportation at the Crossroads.

Diane Trago and her partner will present a "Cavalcade of Dances" and Danny Van Allen of the Willows will also provide entertainment features.

Money orders which will be honored by any merchant member will be awarded by Orinda Chamber of Commerce as prizes.

Poll Elected to C. of C. Board

Ernest Poll was elected a director of the Orinda Chamber of Commerce last week.

He replaces Vance Reynolds, who recently moved from Orinda.

Elliott Johnson Again President Of Sewer Board

Elliott Johnson, reelected to the Central Contra Costa Sanitary District board of directors in the area balloting which also placed a new member, W. M. Malott, on the board, was returned to the president's chair of the group at the session held in the district office Thursday of last week.

Johnson was president once before but resigned from the office in November, 1948, to sit as just a board member. The president is also a member of the board.

SUCCEEDS WADSWORTH

He succeeded to the position which has been held by R. E. Wadsworth, who received praise from fellow board members for his chairmanship of the last 69 meetings.

Col. H. M. Smitten remains board secretary and Director Hal Toland of Walnut Creek accepted the vice-presidency, which Malott declined to accept when nominated. Malott was appointed to the board's auditing committee.

L.I.D. 17

Other business coming before the board at last week's session included announcement that Orinda LID 17 was open for all qualified parties to connect to the sewer. Work on this local improvement district was done by Contractor Manuel Smith and is almost completed.

The area encompasses portions of Moraga Woodlands, most of Moraga Midlands and all of Moraga del Rey. GABRIOTTI REQUEST

Approval of C. Garibotti's request for setting of a sewer connection charge for two building sites adjacent to Planters, Dock was made, with \$134 set as the fee. Garibotti is to pay all charges attendant to connecting to the sewer now serving Planters Dock.

CAROLYN COURT FEE

A fee of \$71.50 per lot was set for the new Carolyn Court Subdivision in Sun Valley area, vicinity of Montecito School, with 17 lots included in the section.

The board authorized immediate transfer of all past annexation charges and sewer connection fees, and future ones as received, to be deposited in the sewer construction fund.

Next meeting of the board will be held next Thursday night.

W. Smiths Are Hosts

Mr. and Mrs. Wesley Smith entertained Sunday with a 4 o'clock barbecue steak dinner in their picnic grounds, a beautiful spot on the wooded banks of San Pablo Creek.

Business Meeting Of Mothers Club 2 Next Tuesday

Next Tuesday is the date for the first business meeting of the Orinda Mothers Club.

The schools' music director, Mrs. Charmaine Barr, and Oscar Busch of Acalanes High School, who is forming a band for the Orinda Schools, will be present to acquaint the mothers with the new music program. Also, the 14 new teachers will be introduced.

The meeting will be held at 2 p.m. at the Orinda School auditorium. Child care is available at the Community Church for 35 cents per child.

While these meetings are not as social as the Welcome Tea, they are of interest in that the necessary business is handled as briefly and quickly as possible so that there will be time for speakers of interest or other worthwhile program. Tea is served after the meeting and mothers are given the opportunity of meeting with the teachers.

Moraga Meadows To Hold Election

New officers for the Moraga Meadows Association will be nominated and elected at the quarterly meeting, 7:45 p.m., Thursday, October 19, at the Orinda School, according to Dr. Herbert Wise, president.

The officers include, president, vice president, secretary, treasurer and two members of the board of directors. Final committee reports for the year will also be given, summing up the achievements of the association during its first year.

Refreshments will be served at the close of the business session. All persons living in the Moraga Meadows and Tara Brook areas are urged to attend. Dues are now \$1 per family.

School Bonds Bought by Blyth

Orinda Union school bonds, to the extent of \$137,000, were sold to Blyth and Company of San Francisco Monday by the Board of Supervisors. This was the first batch of bonds under the program approved last July by voters of the Orinda School District.

The Blyth firm's bid offered to the county \$63 premium payment over and above the \$1,000 denomination of each bond. Bonds maturing from 1951 through 1958 would bear interest at 1½ per cent; those maturing from 1959 through 1964, 1¼ per cent, and the remainder, 2 per cent.

Orinda Masons Get Their Charter

Orinda Lodge U. D. F. and A. M. will be officially designated hereafter as Orinda Lodge No. 704, F. and A. M., State of California, with official granting of their charter Thursday at the Grand Lodge of Masons convention now under way in San Francisco.

The news was revealed to the Orinda Sun yesterday afternoon by Mason Wilbur Crosby soon after Worshipful Master F. G. Culver, Senior Warden Sigurd Groennings and Junior Warden Andrew Catheral had appeared before the charter committee in San Francisco on behalf of the Orinda Lodge to receive the honor.

Orinda Lodge 704 had been operating under dispensation for the past year, and has received its charter in a year important in Masonry circles, celebration of the 100th anniversary of the order in California. Crosby, who has been assisting on the credential committee signing up those attending the giant conclave at San Francisco Civic Auditorium, reported registration of 4,800 delegates.

Inquest Held on Two-Death Crash

"Multiple and extreme bodily injuries, suffered when the car in which they were riding crashed into a brick wall near the Orinda Country Club" was the verdict returned by the coroner's jury last week at the inquest into the deaths of Mrs. Ethelwynne Jane Labadie and Richard R. Barta.

Mrs. Labadie, an air lines nurse of Oakland, was "probably driving" the automobile at the time of the accident, the jury ruled before Coroner C. L. Abbott. Barta, an employee of an air lines training school, lived in San Mateo.

Ten-Acre Fire Back of Quarry

A 10-acre grass fire at the top of the hill back of the Kaiser quarry, in the Oak Springs section, was put out yesterday afternoon in about an hour by the Orinda fire department, with the help of East Bay Municipal Utility District equipment and men.

Fire Chief H. E. Wyatt said cause of the fire had not been determined.

This Is Season for Planting of Bulbs And for Huff-Puffing Over Peony Roots

By BERT WRIGHT
ANY TIME from now until the ground freezes is bulb planting time.

Daffodils, jonquils, tulips, hyacinths, narcissus and lilies may all be put out or transplanted during this period.

Your overgrown peony clumps should be dug and separated, too. Bulb planting is easy, but digging and separating old, established peony roots will make you huff and puff. So select a cool day for this job.

THE BEAUTY of a bulb planting is increased by a background of shrubbery and trees, but remember that trees are heavy feeders and they rob small plants of nutrients. It is best to feed both the shrubbery and trees as well as the bulbs with adequate plant food.

In preparing the soil for your bulbs, the soil should be spaded eight to ten inches deep and the clods thoroughly broken down. Apply one pound of bonemeal for each 25 square feet of area, working it thoroughly into the soil.

IF PLANTING is to be done in rows, plant food can be placed in bottom of the trench and worked

into the soil two or three inches deeper than the actual bulb planting depth.

Spade the soil somewhat deeper for peonies. An old nurseryman's recommendation for planting bulbs twice as deep as their width is a fairly accurate general rule; however, it is not always correct, so follow the bulb planting chart.

NARCISSUS should be covered with four inches of soil and spaced six inches apart.

Tulips should be covered four inches and spaced four inches apart. Crocus bulbs should be covered two inches and spaced the same distance apart.

SEPARATE your peony roots so there are at least three to five eyes or buds to each division. Set them so that the eyes at the top of the root are about two inches beneath the surface of the ground in heavy soil, or three inches in light soil. Space them two and one-half to three and one-half feet apart.

If the peonies are planted in a fairly good soil there is no need to add plant food until next spring, but as soon as the tops begin to appear above the ground, scatter two handfuls around each plant and work it in lightly.

NO WINTER protection is needed for bulbs and peonies unless there is a possibility of a great deal of freezing and thawing which may heave them upward.

If so, you can cover the new plantings after the ground freezes with a six inch layer of leaves.

African Violets To Be Shown at Orchard Nursery

An African Violet show will be a feature of the second annual open house of Orchard Nursery of Lafayette on Saturday and Sunday, October 21 and 22.

Plans include the showing of some 40 varieties of this popular indoor plant. There will also be competition for the amateur grower, with prizes to be awarded for the best plants in the various classes.

Anyone interested in entering should contact the Orchard Nursery by October 18.

The contest will be under direction of E. H. Thomas of Walnut Creek and Mrs. Constance Hansen of Lafayette.

Dramateurs' 'Guest in the House' - A Play That's Aroused Rave Notices

"Truly splendid drama!" "Exciting psychological thriller." "Packed with pathos, tragedy, sympathy and comedy relief."

These are a few of the eastern press "rave" notices that have applauded past performances of "Guest in the House," play chosen by Orinda Dramateurs for presentation at Acalanes High School gymnasium November 3 and 4.

REHEARSALS PROGRESS

With an excellent cast diligently perfecting its roles and rehearsals progressing smoothly, this local Little Theater group is convinced of the wisdom of its choice.

Mrs. Hilde Probert, the Aunt Martha of the play, characterizes a middle aged woman with innate sense of right and wrong, the most stable member of the family. However, Aunt Martha is anything but prudish; her saving grace of a good sense of humor enables her to get a terrific amount of fun from life.

NO SCHOOL STUDY

Surprisingly enough, Mrs. Probert never studied dramatics in school and has taken part in Little Theater work only in the last two years while connected with the Martinez group interested in drama. She has taken the part of various and sundry characters in presentations, among them, Mother in "Date with Judy," in which her own two daughters played the daughter roles in the production; Dora, the maid, in "Night Must Fall," Aunt Connie in "Yes, My Darling Daughter" and the role of housekeeper in the melodrama, "Gold in the Hills."

Maudie Hammond, as Miriam Blake in "Guest in the House," portrays the character of a rough 'n' tough model, strictly businesslike throughout the play, and a very loyal and faithful friend of the Proctor family.

DANCER

In real life, Maudie danced at the Latin Quarter and other famous night clubs in New York. A student

Rites Held for Fred Rainoldi

Funeral services were held at the Ryan Funeral Home in Richmond on Wednesday of last week for Fred Rainoldi, father of Mrs. Doreen Maddox of Orinda.

He is also survived by his widow, Mrs. Ruth Rainoldi; his mother, Mrs. Julia Rainoldi; two sisters, Mrs. Mary Ceridono and Mrs. Thelma Fish, and a brother, Charles, all of Richmond.

An employee of the California Art Tile Company, Rainoldi had been a Richmond resident for 48 years.

Committal was in Sunset View Cemetery.

Jr. Alliance Meets at Orinda Country Club

Planning for their Christmas bazaar was an important part of the business session held at Orinda Country Club Tuesday by Junior Alliance. Members have already been acquainted with their duties in the current Community Chest campaign in bay side areas, and a final "briefing" was held at this session.

at the Faegan School of Dramatic Art at Rockefeller Center, she has also belonged to Davenport Little Theater in New York City and the Hampshire Playhouse in Los Angeles.

She is married and the mother of two children.

Other members of the cast are: Mary Nelson Iris Rakestraw, Bob Anthonisen, Fred Udall, Frank Wright, Don French, Mona Smith, Harry Rasmussen, Jane Courtright, Betty Lyman and James Hendricks. Edward O'Brien is director of the play.

5 Orinda Women Enter Jr. League

At a luncheon Monday at the Women's Athletic Club in Oakland, five women from Orinda-Lafayette were among the 28 new provisional members of the Oakland Junior League who were welcomed. They are:

Mrs. David Burr (Jane Greenwood), attended Anna Head School and Miss Madeira's School in Virginia. Has given volunteer service to Heather Branch of the Children's Hospital, Red Cross and Community Chest.

Mrs. Bruce Howard (Jeannette Connick), is active in the Orinda Nursery School. Attended Anna Head's and was a Kappa Alpha Theta at the University of California. Some of her special interests are gardening, tennis, Red Cross and Boy Scout activities.

Mrs. Douglas Kelly (Martha Jean Pogue), member of Bamboo Branch of the Children's Hospital of the East Bay and Spinsters and Dames. A graduate of University of California, where she was president of Gamma Phi Beta sorority.

Nancy Soule, attended Katherine Branson's School in Ross, Marin County. Became an Alpha Phi and a member of Prytanean while at University of California. Active in Community Chest and Linden Campus Branch of the Children's Hospital.

Mrs. Milton Vail (Elizabeth Dobrzensky), was an Alpha Chi at University of California, where she also belonged to Prytanean, Torch and Shield and Mortar Board. Active in Walnut Branch of the Children's Hospital and in Orinda Nursery School.

Food Center Now Smokes That Meat

For those who like the distinctive tang of smoked meats, George Farren, owner of Lafayette Food Center Meat Market, now offers a new specialty service.

"Red" Hewitson, butcher at the market and well-known for his "master's touch" in smoking meat, fish and poultry, now carries out this service at the local market following completion of a smoke house just constructed at the rear of the Food Center Building.

The market will smoke any meat or fish anyone brings in for this process. Sugar cured hams and bacon will be among the mouth-watering items turned out through an especially supervised process.

An Open Letter to the Two Candidates For State Attorney General re: Gambling

TWO OPEN LETTERS

Edmund G. Brown
District Attorney
San Francisco, Calif.

Edward S. Shattuck
525 Market St.
San Francisco, Calif.

Dear Mr. Brown:

This open letter is written to you as a candidate for Attorney General of California — the state's highest law enforcement officer. If elected, it will be your duty to see that the laws of California are observed. It is our understanding that the attorney general has the authority to enforce laws on all levels of our various governments.

This is exactly why this letter is being written to you and to the other candidate for attorney general.

In Contra Costa County the laws prohibiting gambling have not been — and are not being — enforced.

It is not merely a rumor or conjecture that many forms of gambling can be found in Contra Costa County. The amount of gambling varies from time to time, depending upon the time of the year, "heat" that is on and newspaper pressure. Even during the recent county election, gambling continued unabated.

Gambling in this county is a matter of public record. Enclosed find the report of the last grand jury, which discloses the problem.

To our knowledge, no constructive action whatsoever has been taken on this report. In fact, our sheriff and district

attorney told this newspaper several weeks after the report was released that they had not read it. Then, they blandly disagreed with the jury's findings — and that was that. (Enclosed find the statements of our two law enforcement officers on the grand jury report.)

If you wish further corroboration, we will be willing to supply additional facts and source material.

If you are elected attorney general in the November election and gambling continues in Contra Costa County, what will you do? What action will you take? What results can we expect?

These questions are in the minds of many of our law abiding citizens who realize that gambling and clean, honest government cannot exist side by side.

In the primary election, the SUN newspapers strongly recommended that the people vote for either you or your present opponent in preference to the incumbent, whose record is so poor.

And now we believe that your views on our problem should be clearly stated. We respectfully solicit a reply at your earliest opportunity so that it may be published before the general election.

Sincerely yours,
Herman Silverman

COMMENT

Captain Sandford Sez:

IN OAKLAND ONE DAY I saw in the window of I. Magnin's a little Scotch tartan lady's hat which attracted me very much. I was rather roughly dressed, wore a Black Watch tartan shirt open at the neck, no jacket, etc., and so I walked in to the store.

One of the young ladies stepped forward to wait on me and when I told her of the tartan hat she said, "Oh, you mean the plaid hat." Then began the poor girl's education regarding the particular pride of the Highlanders in the detail of their tartan clothes, which mean so much to them.

I explained about the clans . . . the Macgregors, the Mackenzies, etc., also about the Highland Regiments in the British Army, such as the Black Watch, the Gordons, the Camerons, the Argyle and Sutherland Highlanders.

I explained to her that a plaid is a shawl and it does not matter what material it is made of. By the time I got through the poor girl, I think, was absolutely demoralized.

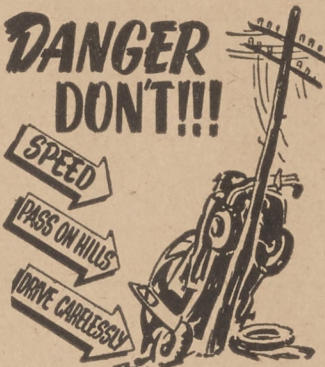

Before leaving I asked her to touch the sleeve of my Black Watch tartan shirt, told her of the wonderful fighting record of the Black Watch and asked her, "Don't you feel different now?" And she had to admit she did! So "I came away."

THIS IS ABOUT LADIES who paint their lips in restaurants.

I watched one the other day stretching and distorting her face and looking in a little mirror as she plastered on and wiped off.

At one moment she looked like a turtle. The next moment she looked like a tapir. By the time she finally finished and wiped her hands on her skirt I felt a wee bit sick at my stomach.

If you are one of those who does this, do it before the mirror some time and see what we others have to tolerate. Then I don't think you'll ever do it again.

Acalanes Faculty Wives Honored

Mrs. Leland Arth entertained the Acalanes High School faculty wives Wednesday night of last week, October 4, at her Walnut Creek home. The occasion was a surprise baby shower for one of the group, Mrs. A. W. Winchester, an dalso served as a welcome to two new wives present, Mrs. Arthur Dambacher and Mrs. James Wilhelm.

Assisting Mrs. Arth with the arrangements for the party was Mrs. Edward Lahey of Lafayette, and the other guests included Mesdames Wilson Sanchez, Gerald Brown, Claude Fancher, William Ross, Charles Eaton, Bruce Handley, Leland Russell, David Stewart, Webster Wilson, Ross Reagan, Robert Stevens, and Robert Lord.

School Yearbook Staff Named

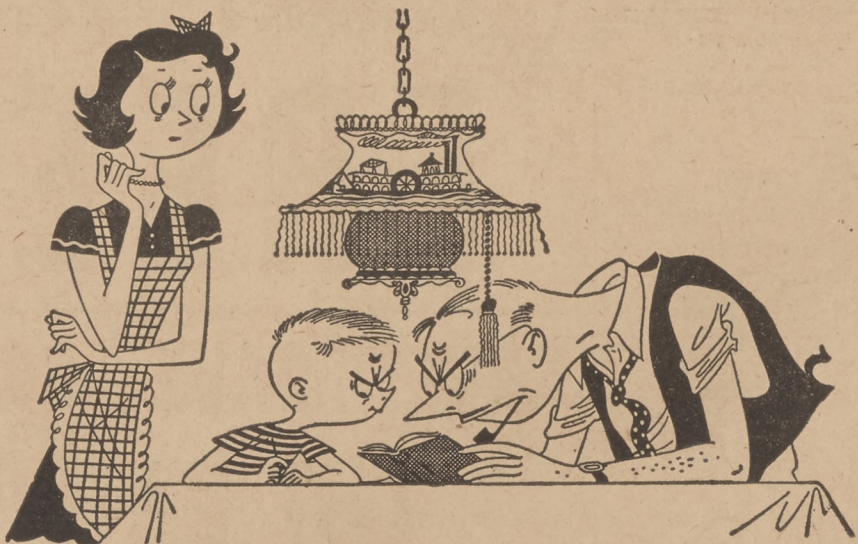

Miss Betsy Pembroke, faculty advisor to the "Aklan," the Acalanes yearbook, recently announced the new staff positions for the 1950-51 issue.

Chosen for editorial and business staff spots were Art Dull, editor; Judy Lee, assistant editor; Allen Marsan, manager; Judy Woolsey, assistant manager and senior editor; Carl Peters, head photographer; Ann Parker, copy editor; Joan Schneider, assistant copy editor; Jerry Gray, classes editor; Tom Smith, sports editor; Loretta Dalbey, advertising manager; Twain Marsan, assistant advertising manager; Jerry Marvin, sales manager and assistant photographer; Bill Bedard, assistant sales manager. Others named to the staff were Tom Tilton and Jim Robertson.

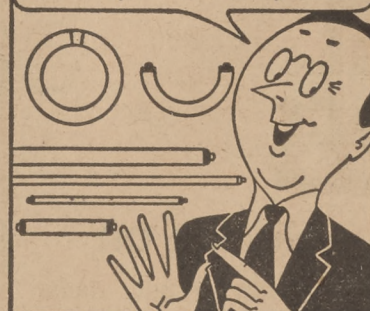

The "Aklan" is enthusiastically received each year by the student body. Last year's 10th anniversary edition was sold out and hailed by student officers as one of the best yearbooks ever put out by the school.

'Short Ugly Word' Is Sunday Topic

"Short Ugly Word" is the theme of a sermon for Sunday morning at 11 o'clock when Rev. Fred Morrow will give the congregation of Orinda Community Church a realistic concept of "sin."

The Christian method of spiritual hygiene and its modern alternatives will be discussed. "A sense of guilt," he says, is working havoc with many lives; the lack of it is making things worse for others."

The choir assists in this service under direction of Margaret Popovich, with Dorothy Burk at the organ console. Also aiding in conduct of worship is Ray Fowler, youth assistant.

Everett D. Howe will superintend the work of the Sunday Church school, 9:30 and 10:30. The Youth Fellowship meets at 7:00 p.m.

Federalist Group Public Meeting Set for Oct. 22

Acalanes Chapter of United World Federalists will celebrate United Nations Week with a public meeting in Lafayette Community Church Sunday, October 22, at 8:15 p.m. Principal speaker will be Robert A. Keyworth, former New York City radio man who is now acting field director for U.W.F. in California.

Keyworth is a veteran of World War II, and served four years as a pilot for the Air Transport Command based in Europe.

The local chapter held a council meeting at the Potter's Wheel, home of the Frank Smiths, last Sunday morning. Proxy was given to Jane Gregory, delegate from the Berkeley chapter, to the national convention in Washington, D. C. yesterday and today.

Fall Is the Time To Follow a Lawn Program

By DAVE CALDERON

With the introduction of the new crabgrass control, fall becomes more important than ever in the lawn program.

Many have recognized autumn as the best time to reinforce an old lawn but too often have delayed overseeding until November. One reason: Crabgrass is usually active until then so it seemed useless to sow good seed in competition.

Now a couple of double-rate applications of Scott's Scutl will stop Crabgrass in its tracks. While not repairing the harm that has been done, it will prevent further ripening of seeds.

The recommended program for established lawns now takes on a slightly different slant. In brief, the sequence will be to (1) stop the growth of broad-leaved weeds and Crabgrass, if they are present, (2) feed generously, (3) do the necessary seeding, (4) keep the lawn moist, if possible, (5) mow regularly and shorter than customary, an inch or so, as long as grass continues to grow.

BROAD-LEAVED WEEDS
Authorities agree that if dandelion, buckhorn, plantain, and similar weeds are present in turf, late summer is an ideal time to get rid of them. Two methods are possible: one is to use a spray such as 4-X; the other, simpler and with double benefits, is a spreader application of Weed & Feed. This latter is to be applied when the grass is dry. Either the spray or spreader treatment may brown desirable grasses temporarily in heat waves above 90 degrees or when it is excessively humid.

STOP CRABGRASS
There is no conflict between the chemicals used for broad-leaved weeds and the active ingredients in Scutl. However, any such materials temporarily upset the physiological balance in desirable grasses. For that reason, it is advisable to keep an interval of three or four days between the two weed controls.

Scutl and other Scott's products may be obtained from McDonnell Nursery, Moraga Valley Nursery, and Happy Valley Nursery.

Student Body Sales Hit 90 Percent Mark

Student body officers at Acalanes High School eased over the 90 percent sales mark last week in an intensive student body card sales campaign.

Card ownership entitles each student to belong to and take part in all of the activities sponsored throughout the school year by the organizations of the Acalanes student body.

Card holders get cut rate admission to most school events. Some of the monies received from card sales go to subsidizing the bi-weekly school newspaper, the Acalanes Blueprint.

Student Treasurer Dodie Bee led the card sales campaign.

Survivor of Crash Goes to Kansas City

Mrs. Margaret Dolan, 70, survivor in the car accident which killed her daughter, Mae Downing, has completely recovered and was recently released from Permanente Hospital to accompany another daughter to Kansas City. The car in which the women were riding plunged off the road on a hairpin turn on Pinehurst Road, near Skyline, on September 3.

Orinda Church to Show Family Film

"Second Chance" a family film about a typical American family, will be shown Wednesday evening at Orinda Community Church's monthly Church Night program.

Described as among the first feature motion pictures made by the church for church use, the film uses professional Hollywood actors and techniques in presenting a non-sectarian Christian story in a highly entertaining form.

The original narrative is by Faith Baldwin. It tells the life story of Ed and Emily Dean, a representative couple who "might be you or your next door neighbor." Humor and drama are skillfully mingled, according to Rev. Fred Morrow, who previewed the film recently.

Two showings are scheduled. The first will follow directly at 7:45 the potluck supper which begins at 6:30. A second will be given at 9 o'clock. The second hour is suggested for those who cannot attend the family supper. There will be no charge and the public is welcome.

Reservations for the supper may be phoned to Mrs. W. P. Mott, or Mrs. A. A. Smith.

Vallecito Shades For Movie Shows Ready for Use

Four more "blackout" shades are now ready for use in the kindergarten room at Vallecito School, following their purchase with money left in the treasury from the hot-dog and ice cream cup sales to the school children last year.

The shades darken rooms when movies are shown in the audio-visual program which is proving so successful in the school program.

Mrs. Graylis Vossler, principal of Vallecito School, has expressed appreciation for the assistance of various mothers who have gone to the school to assist with clerical work.

Name 2 Realtors To State Offices

William F. Anderson of Walnut Creek and Lawrence Wallace of Lafayette, members of the Contra Costa Real Estate Board, were elected to offices in the California Real Estate Association at the statewide convention held in Santa Cruz last week.

Anderson, a past president of the Contra Costa Real Estate Board and regional vice president of the California Real Estate Association in 1949, was elected director at large for the state association for 1951.

Wallace was elected to the post of regional vice president of the state group for 1951, succeeding Edward J. McKeegan of Richmond. Wallace was president of the local board in 1949 and a director in 1950.

Registration of Voters at Record

A recent survey by Associated Press on registration for the November 7 election reveals that half the state's citizens are eligible to vote. This is a record number of Californians who have registered in order to cast ballots.

Present party registration figures for the 26 counties covered in the statewide survey showed that Contra Costa County has a total of 126,980 registrants, 41,913 listed as Republicans and 80,269 as Democrats.

Bridge Sections Meet on Friday

Bridge Sections of the Orinda Mothers Club for Friday, October 20, will be held at the home of Mrs. Albert Normand, 216 Camino Sobrante, at 9:30 a.m., and at the home of Mrs. Charles Gibbs, 134 Sleepy Hollow Lane, at 12:30 p.m.

The morning section that met last Friday at the home of Mrs. Joseph De Maria was attended by Mesdames Howard Lane, Bernard Ginsberg, B. E. Monroe, George Haas, William Witter, Burton Kohler, Gordon Pray, Robert Bigler, D. C. Peacock, Albert Normand, Robert Harrison, E. L. Bargones, William Houston, George Sink, A. D. Henry and Joseph Downs.

The afternoon section was held at the home of Mrs. F. R. Devin on Jonas Hill Road, with Mrs. William Brailsford as co-hostess. This change was made because Mr. Jack Movlan, at whose home the meeting was originally scheduled, became seriously ill. Those present were Mesdames F. M. Silva, William Courtright, Donald Krotz, Victor Richt, Ida Zamloch, Robert Muse, Clarence Davey, T. A. Nichols, Robert Maddox, Owen Jones, Charles Wilson, Roger Dexter, John Wasson, Allen Waddell, William Brailsford and Leonard Roth.

CHRISTIAN SCIENCE CHURCH

"Doctrine of Atonement" is the subject of the Christian Science Lesson-Sermon for Sunday, October 15, with the Golden Text taken from First John: "Herein is love, not that we loved God, but that he loved us, and sent his Son to be the propitiation for our sins" (4:10).

Other citations from the Bible and from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, which will comprise the sermon, include the following:

Job 33:23, 24: "If there be a messenger with him, an interpreter, one among a thousand, to shew unto man his uprightness: Then he is gracious unto him, and saith, Deliver him from going down to the pit: I have found a ransom."

Science and Health: "We acknowledge Jesus' atonement as the evidence of divine, efficacious Love, unfolding man's unity with God through Christ Jesus the Way-shower; and we acknowledge that man is saved through Christ, through Truth, Life, and Love as demonstrated by the Palestine Prophet in healing the sick and overcoming sin and death" (p. 497).

Moraga Valley Community Club is sponsoring a public dance to be held the night of October 21 at Moraga School, 9 p.m. to 1 a.m. Harry Rohrer, board member, is entertainment committee chairman. Others on the committee are Mesdames Josephine Baitx, Elaine Reed, Clair Fleuti, Jenny Hansen, Thelma Zellick and C. William Lance. Club president is Joe Hansen.

NEAR PEAK SEASON

California is approaching the peak season for traffic accidents, the Highway Patrol warns motorists and pedestrians.

'Record Broken'

General Contractors Association of Contra Costa County members recently celebrated "National Home Week," and President Dair A. Tandy pointed out that all housing production records were broken this year.

The 1950 officers of the association are Dair A. Tandy of Richmond, president; Robert Netherby of Lafayette, vice president; V. W. "Bill" Pacini of Pittsburg, secretary-treasurer; Frederick C. Kracke is executive vice president. Tandy and Dan C. Peacock, Jr., of Orinda are national directors of the National Association of Home Builders.

Who Said Today's Kids Don't Have Pep?

Juvenile energies in recent birthday shindigs cavorted as follows:

TOMMY KIRBY

Tommy Kirby, age 7, hurried the presents and refreshments as much as possible so they could have the maximum time for horseback riding. Those joining him October 2, were Sandy Corbett, Gary Swedberg, Kit Von Guenther, Johnny Walker and Dennis Mullhal.

MARIAN OAKLEY

Marian Oakley had 16 guests to celebrate her seventh birthday last

Saturday. Games and refreshments were the order of the day.

SUSAN PAINE

Susan Paine celebrated her 10th birthday Sunday by inviting 10 of her girl friends for lunch and a movie.

ERICK UNRUH

Erick Unruh, on the occasion of his fifth birthday last Saturday, had 10 guests who joined him for supper and movies at home. Those helping him celebrate were Tommy Unruh, Gregory Maddox, Clint DeWitt, Ricky Borden, Jack Witter, Patty Anderson, Virginia Burde, Lorna Wallace, Martha Reese and BARRY HOWARD.

Barry Howard had 20 boy friends joining him from 4:30 to 7 for dinner and movies at home. The occasion was his seventh birthday last Douglas Cobb.

TOMMY MILES

Pumpkins, funny hats and mustaches made for a gay time at Tommy Miles' ninth birthday last Friday. Supper was followed by a movie show. Those joining in the fun were Christopher Almond, Tommy and Steven Solinsky, Nancy Mott, Sandy Miller and Dickie Miles.

DICKIE STARK

What happens when your dog eats the birthday cake? Mother bakes another one quick. This happened to Dickie Stark, who was seven years old last Sunday.

But the party was a grand success with a barbecue lunch, horses for decorations and favors to carry out the theme of cowboys and Indians, and a swell birthday cake, slightly warm.

Those joining Dickie were Jonathan Jensen, Carl Ogden, Richie Anderson, John Baritell, Mark Gathings, Barry Howard, Scotty McFarland, Don White, Jack Gilbert, Don Phelps and Kirk Long. And Jascha—the dog.

SUZANNE ARIGHI

Suzanne Arighi celebrated her seventh birthday last Saturday. The evening was spent at Rollerland, where supper was served and her girl friends had a wonderful time skating.

Those joining her were Susan Kronke, Myra Jean Williams, Karen Hauser, Nancy Swabel, Linda Shirey, Lynn Anderson, Charlotte Kimbel, Robin Brown, Rosemarie Niosi and Katy Jones.

Suzanne's favorite present was a grey kitten she named Fuzzy, but Fuzzy couldn't go skating because the couldn't find a pair of skates small enough.

Pack Committee Plans Program

Pack 52 committee meeting was held at Bob Anthonisen's house Monday.

Henceforth committee meetings will be held the Monday evening following the pack meeting. The next session will be held November 13 at Joe DeMaria's on Southwood Road.

Cubmaster Schrader announced that membership cards will be mailed to all new cubs shortly, enabling the boys to obtain uniforms before the next meeting. It was decided that caps shall not be considered an obligatory part of the official uniform of Pack 52. Cubs are urged to buy their Wolf book and start work on their achievements.

The committee voted to buy a Pack flag.

Mothers Club Sets Meetings

Room meetings scheduled by the Orinda Mothers Club for the week from today through next Friday are:

Friday, October 13, combined seventh grades (teachers Miss Tighe and Mr. Lambert), home of Mrs. Kenneth St. Clair, 24 La Campana, 3 p.m.

Monday, October 16, Orinda School fifth grade, home of Mrs. Rudy Rasmussen, 10 La Vuelta, 3 p.m.

Wednesday, October 18, Mrs. Lamborn's second grade, Glorietta School, home of Mrs. Kirk Miles, 11 La Plaza, 3 p.m.

Thursday, October 19, combined eighth grades (teachers Mr. Richards and Mr. Comer), home of Mrs. James Freeman, 28 Las Cascadas, 3 p.m.

Friday, October 20, Miss Knox's fourth grade, Orinda School, home of Mrs. Jack Stahle, 120 Las Vegas, 3 p.m.

In our neighborhoods, please drive carefully. How fast can you stop if a child runs into the street in front of your car?

Program Set for Parents Club On Monday

Acalanes parents will meet Monday, 8 p.m. in the school cafeteria for their second program of the school year. All parents of students attending Acalanes Union High School are invited.

Highlight of the program will be presentation of two workshop skits by the Acalanes dramatic class under the direction of Richard Nesbitt.

Students John Wahl, Marian Troyer, Marilyn Hanse and Oral Gibson will star in a short mystery, "Dead or Alive." Janet Woodmansee, Don Beardoh, Rosemary Freitas, Rosemary Sorge, Barbara Weill, Dave Bentley and Dick Snell will take part in a skit, "Murder in the Family."

Refreshments and a social hour for parents and teachers will follow the program. Superintendent Neil M. Parsons emphasized that regular Parents' Club meetings afford parents of youngsters the opportunity of meeting their children's instructors.

Acalanes Represented at Meetings

Acalanes superintendent Neil M. Parsons, returning from a state convention of school administrators at San Diego, reports concern by education officials over the problems of financing public education in California.

Superintendents met one day during the convention with school trustees, who held their annual conference in San Diego two days before the State Superintendents meeting.

Community Symphonette Being Organized

The Acalanes Adult Center has started organizing a Community Symphonette under the direction of Lee Cardo, prominent East Bay musician, for recreational purposes only.

Persons interested in joining the new group are urged to write Lee Cardo, 702 East 23rd street, Oakland 6, California, listing their name, experience, type of instrument played and other qualifications.

The group is being organized on a recreational non-profit basis. Details about the new symphonette may be had by calling David Stewart, Acalanes Adult Center director, at the high school.

Frosh Take Over Campus for Day

With a class enrollment of almost 300 students the Acalanes freshmen turned out for school Saturday — not to study or attend classes, but to have a good time. The second annual Frosh Day picnic, dance and game-fest was held on the Acalanes campus Saturday 2:30 to 9:30 p.m.

Under the sponsorship of their faculty advisors freshmen class officers Tom Klement, Brad Johnson, Ray Williamson, Linda Baker organized an afternoon program of games, swimming, picnicking, campfire singing and dancing.

Freshmen Learn More About Library

Students in the Acalanes freshman class are spending two weeks on an intensive study of the high school library. The course is a part of a general orientation social studies program designed to familiarize incoming ninth graders with the high school, its facilities and the materials they will be using the next four years.

Under the direction of school librarian Ruth Fletcher, freshmen

will be given an opportunity to become acquainted with general library procedure and the scope of library services.

Since its construction last year, the new Acalanes book room has more than tripled its service to students and greatly increased the number of books on its shelves. The new Acalanes library has often been rated by visiting educators as one of the best high school book rooms in the State.

League Play! Dons vs. Pirates Tonight

Strengthened by three practice tilts, the Acalanes Dons plunge into league play tonight when they meet the powerful Pittsburg Pirates at Pittsburg. Kickoff is at 8 p.m.

A good-sized crowd is expected to be on hand to witness the Dons' game with the pre-league favorites. The Pitt Pirates' Coach Tony Knapp has an imposing array of backs in Harry Dillon, ace quarterback; Sam Dawson, fullback, and Joey Arenivas and Al Gargas in the halfback spots.

SPEED CHAMP

Another back who adds speed and power is a lad by the name of Briggs, who is best remembered as last year's half-mile champ, winning the County meet handily in near-record time.

The Pirates' forward wall is made up of last year's J.V. line and appears to improve with each game.

LIGHT BUT FAST

The team as a whole is a light one but has speed to spare.

Dillon in the quarter spot is one of the best in prep circles and throws a good ball, both short and long, in addition to being a good punter.

TOUGH JOB FOR DONS

The Dons definitely have a full night's work cut out for them but it is not out of the realm of possibility for them to win.

In last Friday's Fremont game they gave a demonstration of team play and scrap that had the city team on their heels until the Dons ran out of gas in the second half.

All hands appear to be in good

shape and ready for the game. Emphasis the past week has been on condition and the perfection of fundamentals, with stress on passing and pass defense.

The Dons have improved with each game, and added experience has done much to weld them into a well-knit unit.

Tonight will tell just how far they can go in league play.

PROMISE SURPRISES

Up to now it has been experiment and an attempt to work the wrinkles out. The Dons go tonight with their best and promise a few surprises in the way of attack.

The big job will come in bottling up the Pirates' potent offense.

The job is a man-sized one and tonight will determine how much the Dons have grown up.

Brave Soul, Ol' Professor Again Sticks Neck Out

By COACH ERWIN MATTSON

It was a real rough weekend, as upsets were the order of the day. Might as well place the blame on the atom bomb, since it has been censured for everything from the weather to inflation.

THEY GAZE INTENTLY

The pigskin sport has the pickers gazing very intently into their crystal balls this week.

Here goes to make up for a not-so-good going last weekend — but then who did hit many winners?

ARKANSAS GETS NOD

This week it's Arkansas over Baylor, while Wisconsin takes Iowa.

Army has a tough go with Michigan, and it's a long shot but the nod goes to Michigan.

LOOKS LIKE BOSTON

Boston College drops Fordham, while Holy Cross is too much for a not-so-good Colgate.

Mississippi over Georgia, and Ohio State decisions Indiana.

UPSET BY MIAMI?

Purdue is not high enough and Miami pulls an upset.

Rice over Pittsburgh, and Washington smells roses, so it's too bad for Oregon State.

Northwestern outcores Minnesota, and Loyola takes San Jose.

STANFORD AND U.C.L.A.

Stanford is too fast for Santa Clara, while U.C.L.A. upholds Coast honors in defeating Illinois.

Cal has its hands full down South with the Trojans of U.S.C. — Cal to win as they hit a high.

HIGH SCHOOL GAMES

In local games the county league gets underway with Antioch having too much speed and Crockett the victim.

Diablo upsets Alhambra in a wide-open game.

Acalanes faces a toughie in Pittsburg — but the Dons have improved each week, and it's a win, 19-14!

SPORTS

Dons Great in 1st Half — Outweighed, They Bow to Fremont Tigers, 26 to 6

The Acalanes Dons lost a ball game last Friday night to the Fremont Tigers by a 26-6 score.

The Dons lost the game but won the admiration of the fans for their showing in the first half.

The Acalanes eleven came out scrapping at the opening whistle and had everyone hoarse by half time.

LED 6-0 AT HALF

They outplayed their opponents all the way and left the field at half time with a 6-0 lead as a result of a second period drive from midfield which ended with Eddie Greub crashing over from four yards out.

The Dons were outweighed an average of 25 pounds to the man but it seemed to make little difference in the first half. Fremont could make but two first downs while the home boys socked up eight.

BUT SECOND HALF —

In the second half, however, the Dons tired, and, while they gave their all, were unable to withstand the power rushes of the city eleven.

Fremont drove to four touchdowns and a safety before the final gun.

EFFECTIVE ON OFFENSE

Joie Pearson, Eddie Grueb and Bob Wickenbach were especially effective on offense from the back position.

Bob Borghesani and John Bowron showed well at the tackle spots, while Harold Weber played a bang-up end, as did John Daniels.

GREEN AT QUARTER

Ken Green sparked the Dons at quarter and was especially effective as safety on defense.

Richard Ting at center and Buzz Williams and Bob Stewart at guards were other starters who came through in good style.

FIND THE TIME

These autumn days may be warm, lazy ones, but do find time to place a few plants and seeds for winter and early spring effects.

From the Sidelines

Whether It's College or High School, Gridiron Play Keeps Experts Guessing

By COACH ERWIN MATTSON

THE PAST WEEK really laid the so-called experts low as many favorites fell.

Probably the biggest upset was when Purdue all but ran Notre Dame out of the stadium and broke the win streak of the Irish.

Football, like any game, is still a good percentage attitude. The greater the number of individuals involved in any game, the greater become the problems as far as psychology is concerned.

I ONCE HEARD Lynn Waldorf state that a team gets "high" as a rule about two games a season. By "high" is meant an emotional state that results in all-around top performance.

The coach's happy day arrives when players reach the high pitch all at the same time. Eleven players determined to win and going all out are tough to beat.

Often better teams lose because they get overconfident and let down when they meet a team which they feel they can beat easily. The underdog rises up while the favorite lets down, and an upset results. Prime example was St. Mary's vs. Georgia.

On paper the Saints didn't belong on the same field. As it turned out, Georgia was lucky to get by with a tie.

This past week, however, St. Mary's was unable to "get up" again, while Loyola was fired up and ready—result, Loyola 42, St. Mary's 0.

CONTRA COSTA high schools are definitely on the upgrade in quality of play.

Oakland schools are considerably larger and have an advantage in reserves, but even that is being narrowed as the county's growth is reflected in increased school population.

The county race for pennant honors appears to be closer than ever, with any team likely to defeat the other.

CROCKETT appears to have its best team in years, with a heavy line and better than average backfield.

Alhambra of Martinez shows promise of a real contender, with a veteran heavy line and a backfield paced by Quarterback Bush, who throws a good pass, and a hard-running fullback in Dodson, aided by some swift-running backs.

DIABLO appears to be coming fast, with veteran Tommy Kramer at quarter and a fullback by the name of Paul Johnson who may end up as the county's top fullback.

PITTSBURG is the favorite, with

Pittsburg Only County Team to Chalk Up Victory

All playing county teams except Pittsburg lost over the weekend.

The Pitt Pirates threaten as the top contenders as the result of a win over a strong Tech High, 26-19.

3 BY ARENIVAS

Joe Arenivas was in the star role as he raced to three touchdowns, one of which went for 64 yards.

John Swett fell before Liberty of Brentwood, 13-12, while Diablo tasted defeat in a wide-open game with Oakland High outscoring them 25-20.

ANTIOCH, TOO

Antioch fell behind 18-6, with Castlemont High the opponent. Alhambra High enjoyed a bye.

This week marks the beginning of league play, with Diablo meeting up with Alhambra, John Swett tangling with Antioch and the Dons traveling to Pittsburg.

Frosh Have Fun At Annual Events

Almost all of the 300 members of the Acalanes freshman class turned out last Saturday for the school's second annual "Frosh Day." According to freshman class president, Tom Klement, everyone had "a great time."

Youngsters in the Acalanes ninth grade enjoyed themselves swimming, participating in sports, and picnic contests, dancing, and bonfire singing.

Seventeen members of the school faculty took time out to help the youngsters organize and put on the "Frosh Day" event. Mr. Webster Wilson of the faculty was chief advisor to freshman class officers for the event.

a host of veteran backs and a line which makes up for lack of weight with scrap and determination.

Joey Arenivas is a top runner and has plenty of help.

Pitt definitely appears the team to beat.

A NEW AUTOMATIC RANGE... ..cooks while the cook's away

With a hundred and one things to do, every day—busy housewives take particular delight in the time saving features of a modern automatic Gas range. Each burner lights itself, instantly, at the turn of the knob. Accurate oven heat is uniformly maintained at the exact temperature desired for baking or roasting. Even a complete meal can be cooked perfectly from start to finish, while the cook's away—by simply setting the automatic time clock control.

Visit your nearest appliance dealer and let him show you all of the marvelous features of a new modern automatic Gas range.

Let your dealer explain why you should have an automatic Gas water heater of ample size to care for all your family's hot water needs.

Sermon Subject: 'Nip and Tuck'

Desire by many for a "sure thing," security of mind and material security will be dealt with at the Community Methodist Church Sunday, when the sermon will have the general theme, "Life is 'Nip and Tuck'."

Text of the message is a portion of the 12th verse of the 2nd chapter of Philippians, "Work out your own salvation with fear and trembling." The sermon will point out the constructive and destructive use of the "fear and trembling" concept.

Church School is at 9:45, morning worship at 11. Church phone is 4765. Pastors are George A. Miller and Harry E. Shaner.

'Ranch' Scene Of Jim's Sixth Birthday Party

"Howdy, Pard! Come to my party," read the invitation for Jimmy Benjamin's sixth birthday party today.

Just in case some of the "pards" were out on the range chasin' desperados there was, beside the "shore, I'll be there" place to check, "Can't come, plumb sorry."

When the young Hopalongs arrive at the Benjamin—excuse me please, Bar 20 ranch on Moraga Boulevard, they will find the chuck wagon and cache for their shootin' irons well labeled, and instead of playing the usual pin-the-tail-on-the-donkey game, they will play "pin the tail on Topper."

Jimmy's guests are: Donny Swenson, David Bierk, Bruce and Larry Lehman, Dickey Ray, Bobby Hodel, Jack Floegel, Jacky Squires, Johnny Sommers, Johnny Sexson, Johnny Fox and perhaps Hopalong himself. As this paper went to press, the R.S.V.P. had not been received in answer to the invitation Jimmy sent.

Drive very carefully — the life you save may be your own.

When School Days Are Dog Days...

It was bad enough when a lamb followed Mary to school, but when it is eight to ten dogs that insist on attending school with their young masters and mistresses, it's a real problem.

But it was the youngsters themselves of a nearby rural school who solved that doggone question of what to do about the dogs.

The children took up a collection among themselves for the purpose of buying wire for a run for those canines who can't resist the attraction of school.

Hereafter all pets who accompany the children to school will have to abide by the rules and be interned while school is in session.

Who Runs America?

the Congress?

the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today —keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists —working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

General Federation of Women's Clubs
American Farm Bureau Federation
National Grange
Veterans of Foreign Wars
National Conference of Catholic Charities
American Protestant Hospital Association

American Legion
National Association of Small Business Men
United States Chamber of Commerce
National Association of Retail Grocers
National Retail Dry Goods Association
American Bar Association

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the prideful security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today

in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that
